Office Memorandum • UNITED STATES GOVERNMENT

TO : Chief, Economic Research
ATTN : Chief, Project Review Staff
THRU : Chief, Analysis Division *RYG*
FROM : Chief, USSR Branch

DATE: 17 March 1955

SUBJECT: ORR Project 14.664, "Selected Information on Consumer Welfare in the USSR"

1. Three copies of the subject project are attached to this memorandum.
2. The material employed in this project was collected and collated in too great haste to permit a detailed analysis and evaluation of the data or the sources.
3. The data presented pose an interesting insight into the Soviet economy which has not heretofore been available to the intelligence community.
4. I would recommend that this Branch be permitted to devote some additional time to research and reworking this paper and presenting it by 30 April as an Intelligence Memorandum.
